

May courage help your dreams take flight, And fill the coming year with *light!*

May generosity and good cheer be with you, And bring bright *surprises* throughout the year!

Keep love tucked close, both near and far, And let your *heart* shine like a star!

May stars shine bright throughout the night, And fill your dreams with *magic* and light!

May peace and warmth be with you, And kind *surprises* come your way!

May small joys fill your days, And bring you *happiness* all the way!

May clever thoughts light up your way, And bring you joyful *adventures* every day!

Leave gentle footprints in the snow, And spread love and *kindness* where you go!
